**AGENCY REPORT TO THE
JOINT COMMITTEE ON ADMINISTRATIVE RULES (JCAR)**

Under the Administrative Procedures Act (APA), 1969 PA 306, the agency that has the statutory authority to promulgate the rules must complete and submit this form electronically to the Office of Regulatory Reinvention (ORR) at orr@michigan.gov.

1. Agency Information:

Agency name:	Department of Treasury, Michigan Gaming Control Board		
Division/Bureau/Office:			
Name, title, phone number, and e-mail of person completing this form:	Wendy Harns, Analyst 517-335-2163 harnsw@michigan.gov		
Name of Departmental Regulatory Affairs Officer reviewing this form:	Margaret Patterson		

2. Rule Set Information:

ORR assigned rule set number:	2017-092-TY
Title of proposed rule set:	Casino Gaming

3. Purpose for the proposed rules and background:

The proposed rules provide for the continued strict regulation of casino gaming because of its susceptibility to criminal behavior. The strict regulation of casino gaming protects the health, safety, and welfare of Michigan citizens. The current rules have requirements that are outdated by technologic advances and changes in industry standard operating procedures. If the rules are not changed, operational efficiencies for licensees cannot be implemented and enforcement activities are not prioritized. Part of the rationale for changing the rules is also to lessen the burden on the licensees without jeopardizing regulatory enforcement activity or the integrity of casino gaming. The changes also allow for clarification of processes and procedures.

4. Summary of proposed rules:

These rules will provide the regulatory framework for the licensing and operation of the three commercial casinos located in Detroit, their suppliers and employees. The rule set will eliminate the definitions of business or calendar day because the casinos operate 24 hours a day, 7 days a week; include standard industry acronyms for electronic gaming devices, random access memory, random number generator; remove the definition of public official because the term is not used in the rules; clarify persons authorized to carry weapons in casinos, and express permission to carry handcuffs by private casino security personnel is being eliminated; change the location of MGCB's principal office from Lansing to Detroit; revise the requirements relating to the transfers of ownership, suspected criminal activity reporting, patron disputes procedures, application process, and revise exemptions from supplier licensing; modify the process to appeal a board decision; update the rules on surveillance, instruments of monetary value, conduct of gaming and gaming equipment, remove tokens, and movement of electronic gaming devices and live table games; revised parking space requirements; ensure processes are in place to prevent disassociated persons from participating in gaming activities.

5. List names of newspapers in which the notice of public hearing was published and publication dates (attach copies of affidavits from each newspaper as proof of publication).

January 7, 2019: The Grand Rapids Press, The Detroit News & Free Press, The Daily News (Escanaba)

“urgent humanitarian needs,” a reflection of the growing anxiety over migrants traveling to the border — which the White House said Democrats raised in the meetings. And it repeats some existing funding requests for detention beds and security officers, which have already been panned by Congress and would likely find resistance among House Democrats.

Trump sought to frame a steel barrier as progress, saying Democrats “don’t like concrete, so we’ll give them steel.” The president has

Department to ensure people receive their tax refunds. That effort is designed to squeeze Senate Republicans, some of whom are growing increasingly anxious about the extended shutdown.

Among the Republicans expressing concerns was Sen. Susan Collins, R-Maine, who said Senate Majority Leader Mitch McConnell should take up bills from the Democratic-led House.

“Let’s get those reopened while the negotiations continue,” Collins said on NBC’s “Meet the Press.”
