The Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), will hold a public hearing on Monday, July 1, 2019, at Constitution Hall, Erickson Conference Room, at 1:00 p.m. The hearing will be held to receive public comments on proposed changes to the Part 4. The proposed rule set (2017-062 EG) will amend the current rules to clarify which testing methods and federal standards are applicable to the rules and remove a redundant definition. The comment period and hearing will fulfill requirements contained in the state administrative rules and result in a revision to Michigan's SIP under the federal Clean Air Act.

These rules are promulgated by authority conferred on the Director of EGLE by Section 5512 of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, MCL 324.5512. These rules will take immediate effect upon filing with the Secretary of State.
