## BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2020-036 LR would make amendments, rescissions, and an addition to rules regarding the practice of medicine, which is regulated in Michigan by the Department of Licensing and Regulatory Affairs (LARA). Specific significant changes accomplished by the rule set would include the following: inclusion of a rule regarding telehealth services; revision of rules regarding prescribing of drugs by physician's assistants and delegation of controlled substance prescribing to advanced practice registered nurses; revision of rules regarding accreditation standards, licensure, relicensure, examinations, and continuing education; and rescission of several rules, including rules on English language requirements and display names.

## FISCAL IMPACT OF PROPOSED RULES

2020-036 LR is not anticipated to have a fiscal impact on LARA or any other unit of state or local government.
