## BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2020-118 LR would make numerous amendments to rules pertaining to marihuana hearings and would include a new rule allowing hearings for excluded individuals and employees (individuals who have been notified of the Marijuana Regulatory Agency's intent to exclude them from employment at a marihuana business). The amendments would create greater consistency for hearings resulting from licensing actions.

## FISCAL IMPACT OF PROPOSED RULES

2020-118 LR is not anticipated to have an appreciable fiscal impact on the Department of Licensing and Regulatory Affairs or on any other state or local government units.
