### IV. Report from the Michigan School Business Officials

David Martell, Associate Executive Director of the Michigan School Business Officials, summarized the report his organization and the Michigan Association of School Administrators had submitted to the Commission and provided a detailed explanation of the mandates identified in the report which is attached to these minutes. Dan Behm, Superintendent of the Forest Hills Public Schools, provided comments regarding the reporting requirements of the Center for Educational Performance and Information (CEPI) and provided a detailed description of the five databases the State requires be submitted by the schools. He noted this reporting requirement is frustrating as the schools have not seen any utility of the data they are required to provide under the CEPI mandate. After his testimony, he joined Mr. Martell in responding to questions from the Commissioners. **Mr. Winegarden moved, supported by Mr. Pollard, to receive and file the report from the Michigan School Business Officials and the Michigan Association of School Administrators. There was no objection and the motion was unanimously adopted.**
