These rules address the licensing requirements for child caring institutions in the state. They provide the minimal standards for staff qualifications, facility requirements, licensing, and fire safety. The rules were last updated in 2015. Current issues have evolved that require a review of the entire rule set to address LGBTQ youth, restraints, seclusion, and behavior management. Further, there are conflicts within the child caring institution, child placing agencies, and foster family and group home rules that need to be amended for consistency for the contracted agencies providing services. All three rule sets are currently being revised.

By authority conferred on the Director of Health and Human Services by section 2, 1973 PA 116, MCL 722.112 and E.O. No. 2015-4, MCL 400.227. The rules (Rule Set 2020-39 HS) are published on the Michigan Government web site at <https://ars.apps.lara.state.mi.us/> and in the Michigan Register in the June 1, 2021 issue. Copies of the draft rules may also be obtained by mail or electronic transmission at the following address:
