2. Rule Set Information

MOAHR assigned rule set number:

2022-26 LR

Title of proposed rule set:

Professional Engineers – General Rules

3. Purpose for the proposed rules and background:

The Professional Engineers – General Rules pertain to definitions, education, experience, licensure, relicensure, examination, standards of conduct, the seal, license renewal, and continuing education for professional engineers.

Amendment of the rules will take place to supply clarity on definitions, education, experience, licensure, relicensure, examination, standards of conduct, the seal, license renewal, and continuing education requirements for professional engineers.

4. Summary of proposed rules:

The proposed rules will: clarify terms used in the rule set; clarify the requirement of proof of current and continuous licensure in another state or a province of Canada of at least four years to satisfy the experience requirement for licensure; clarify the ways an applicant may seek relicensure; clarify the requirements of the design and use of the seal of a professional engineer; clarify the period in which a licensee must request a waiver of continuing education; and include clarifying language for the activities that qualify for continuing education.
