NOTICE OF PUBLIC HEARING

Jupiter Room

2407 N Grand River Ave, Lansing, MI 48906

The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Private Security Guard and Security Alarm Agencies rule set.

The rules will bring needed clarity to the regulation of the private security industry. They aim to clarify requirements regarding advertising, badges and patches, and subcontracting, by more clearly laying out badge and uniform requirements, parameters surrounding advertising and names, and employee and employer responsibilities. The rules are intended to ensure fairness in the industry and to help protect both the public and those who use private security services.

By authority conferred upon the department of licensing and regulatory affairs by sections 27 and 29 of the private security business and security alarm act, 1968 PA 330, MCL 338.1077 and 338.1079, and Executive Reorganization Order Nos. 2003-1, 2008-4, and 2011-4, MCL 445.2011, 445.2025, and 445.2030.

The proposed rules will take effect immediately after filing with the Secretary of State. The proposed rules are published on the State of Michigan's website at www.michigan.gov/ARD and in the 5/15/2025 issue of the Michigan Register. Copies of these proposed rules may also be obtained by mail or electronic mail at the following email address: Pagem6@michigan.gov.

Comments on these proposed rules may be made at the hearing, by mail, or by electronic mail at the following addresses until 5/23/2025 at 05:00PM.
