<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
23-51	Department of Health and Human Services – Bureau of EMS Trauma and Preparedness	Emergency Medical Services- Life Support Agencies and Medical Control

**FISCAL IMPACT:**

The proposed administrative rules would have no impact on the Department of Health and Human Services and a negligible fiscal impact on 4 of the 811 local EMS agencies. The cost would stem from the need to adjust the lettering on the agency's ambulances to reflect the actual level of services at a cost of \$50/vehicle. This cost doesn't stem from a new requirement, but the revised rules clarify the interpretation of a rule that caused confusion previously.
