NOTICE OF PUBLIC HEARING

The Department of Health and Human Services will hold a public hearing to receive public comments on proposed changes to the Chronic Disease Reporting rule set.

These new rules are intended to address reporting requirements for chronic conditions. Establishing this requirement is necessary for MDHHS to leverage electronic health record (EHR) data that is already shared between Michigan health systems and health information exchanges (HIEs). The ADT messages will populate the 'Chronic Disease Registry Leveraging Electronic Health Record Data' (CHRONICLE) housed within the Michigan Disease Surveillance System (MDSS). With the institution of reporting requirements for chronic conditions, CHRONICLE is expected to significantly improve chronic disease surveillance capacity for MDHHS and our partners and will have other public health applications as the system is further expanded or additional conditions are approved.

By authority conferred on the Director of the Department of Health and Human Services sections 2221, 2226, 2233, and 5111 of the public health code, 1978 PA 368, MCL 333.2221, 333.2226, 333.2233, 333.5111, and section 8 of the critical health problems reporting act, 1978 PA 312, MCL 325.78.

The proposed rules will take effect immediately after filing with the Secretary of State. The proposed rules are published on the State of Michigan's website at www.michigan.gov/ARD and in the 1/15/2024 issue of the Michigan Register. Copies of these proposed rules may also be obtained by mail or electronic mail at the following email address: MDHHS-AdminRules@michigan.gov.

Comments on these proposed rules may be made at the hearing, by mail, or by electronic mail at the following addresses until 1/19/2024 at 05:00PM.
