<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
23-75	Department of Health and Human Services – Bureau of Emergency Preparedness, EMS and Systems of Care Section	EMS and Systems of Care Section Statewide Stroke System

**FISCAL IMPACT:** The bill would have a negative fiscal impact on the Department of Health and Human Services (DHHS) and no impact on local units of government, however PA 166 of 2022, the FY 2022-23 DHHS budget, included \$3.0 million Gross and GF/GP to implement and operationalize the statewide stroke and STEMI system of care. The funding was reduced to \$2.0 million in PA 119 of 2023, the FY 2023-24 DHHS budget, to reflect the lower level of funding needed to maintain the system. The Department indicates that these appropriations would be sufficient to support the system.
