The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Basic Local Exchange Service Customer Migration rule set.

The Michigan Public Service Commission is considering the repromulgation of rules governing basic local exchange service customer migration, located at R 484.81 to R 484.90. The Commission will hold a public hearing to solicit comments from anyone who wishes to comment on the proposed rules. The repromulgated rules are proposed to take effect on June 17, 2022.

These rules are designed to streamline the processes and provide guidelines for providers of basic local exchange service when transferring an end user (telephone landline customer) from one provider to another. Having reasonable standards protects both end users and providers during the migration process by ensuring all needed information is provided to each provider involved in the transfer on a timely basis. Frequency of conduct will vary from provider to provider based on its number of end users and the number of competitors in the exchange. These rules are necessary because there are natural incentives to prevent or delay such transfers on the part of the currently serving provider. The proposed rules contain only minimal stylistic changes.

By authority conferred on the public service commission by sections 202 and 213 of the Michigan telecommunications act, 1991 PA 179, MCL 484.2202 and 484.2213. The proposed rules will take effect 6/17/2022 after filing with the Secretary of State. The proposed rules are published on the State of Michigan web site at <http://www.michigan.gov/ARD> and in the Michigan Register in the 9/15/2021 issue. Copies of these proposed rules may also be obtained by mail or electronic transmission at the following address: mpscdockets@michigan.gov.

Comments on these proposed rules may be made at the hearing or by mail or electronic mail at the following address until 10/19/2021 at 05:00PM.

Marking Lake Michigan point

NAUBINWAY — The waterfront in the eastern Upper Peninsula community of Naubinway will soon be home to a marker recognizing the Northernmost Point of Lake Michigan. At 10 a.m. Oct. 2, Top of the Lake Communities Association will dedicate a sculptural marker to declare the distinction at the Garfield Township Marina in Naubinway.

Located just off of U.S. 2 about 45 minutes west of St. Ignace, the marker is an easy detour for motorists and bicyclists along the Top of the Lake Scenic Byway and Iron Belle Trail, snowmobilers and visitors to the Top of the Lake Snowmobile Museum, as well as a nice stop for paddlers and boaters at the marina.

The Michigan map-shaped marker, which stretches about 10 feet from Coldwater to Copper Harbor, was fabricated locally and is supported by grants from Michigan Council for Arts & Cultural Affairs and the Graymont Community and Economic Fund, and donations from Cloverland Electric Cooperative, businesses and individuals. Additional funds are needed and current and past residents visitors, businesses and other organizations are invited to be a part of this project.

Contributions of any amount are welcome at go-fundme.com/f/northernmost-point-of-lake-michigan or by check to TOLCA, PO Box 132, Naubinway, MI 49762. Donors of \$100 or more will be recognized at the TOLCA website, topofthelake.org. Direct questions to info@topofthelake.org.

Boy band tribute at Calumet Theatre

CALUMET — Back by popular demand after bringing down the house at the Calumet Theatre in 2019, The Calumet Theatre features the high energy pop music event, “Boy Band Review” at 7:30 p.m. Saturday.

Doors open at 7 p.m. “Boy Band Review” is the original Boy Band tribute from Chicago, performing the hits from NSYNC, Backstreet Boys, New Kids on the Block, One Direction, Jonas Brothers, O-Town, LFO, Boys II Men, The Wanted, 5 Seconds of Summer, Bel-Biv-Devoe and more.

According to a press release, “Boy Band Review” has captured the hearts of fans with their shows that transport audience members “back in time to the days of frosted tips and hunky frontmen professing their undying love.”

According to the tour, The #boyband shows are an incredible throwback experience reliving your best years with a full band, choreography, and harmonies. They are playing to capacity crowds throughout the Midwest and spreading nationwide.

Boy Band Review have played numerous high profile events, private engagements, a Las Vegas residency at Planet Hollywood Casino, the NHL Stadium Series Classic Blackhawks game and other venues across the country.

Department of Licensing and Regulatory Affairs Public Service Commission
Administrative Rules for Unbundled Network Element and Local Interconnection Services Rule Set 2021-41 LR

NOTICE OF PUBLIC HEARING
Tuesday, October 5, 2021
09:00 AM

The public hearing will be held virtually via Microsoft Teams. Any person may attend and participate in this hearing via the following web link or by dialing the number below at the time of the hearing. Join on your computer or mobile app: <https://bit.ly/U-21078> Or call in (audio only): 248-509-0316 Phone Conference ID: 409 788 013#

The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Unbundled Network Element and Local Interconnection Services rule set.

The Michigan Public Service Commission is considering the re-adoption of rules governing unbundled network elements and local interconnection services, located at Mich Admin Code, R 484.71 to 484.75. The Commission will hold a public hearing to solicit comments from anyone who wishes to comment on the proposed re-adoption.

These rules, previously re-promulgated and put into effect in 2013, 2016, and 2019, specify the minimum quality standards for provision of unbundled network elements (UNEs) and local interconnection services applicable to incumbent local exchange carriers (ILECs) interconnecting with competitive local exchange carriers (CLECs), to enable efficient competition in the marketplace in the provision of basic local exchange service. R 484.74 requires that the minimum quality standards for the provision of UNEs and local interconnection by an ILEC be either the standards set out in the final order in an industrywide proceeding before the Commission, or, where there is no such order, the standards adopted by the interconnecting parties pursuant to their interconnection agreement (ICA) approved by the Commission. The only current, final order in an industry-wide proceeding—the September 24, 2020 order in Case No. U-11830—applies to AT&T Michigan (the ILEC) and all CLECs interconnecting with AT&T Michigan. Thus, all other ILECs are subject to the alternative standard; that is, those standards adopted by the ILEC and CLEC in their ICA approved by the Commission.

The rules apply to large ILECs in their offering of wholesale UNEs and interconnection. Small ILECs typically do not offer UNEs on a wholesale basis. The few CLECs engaged in offering wholesale services are excluded from these rules due to the small amount of activity that they generate and the costs that would be incurred to implement processes to address and monitor such rules. The rules are based upon existing negotiation processes between ILECs and CLECs, as provided for by 47 USC 251 and 252, and standards established through industry-wide proceedings that occur between the individual ILECs and participating CLECs before the Commission.

Creating an intricate set of rules for the provision of unbundled network elements and local interconnection services is unnecessary due to market forces and the effective negotiation processes between providers already in existence. When such processes already exist and allow for certainty, there is no need for additional regulatory intervention. There is presently no known reason to believe there will be any negative effects from adopting these rules. The Commission proposes to re-adopt the rules, with some minor changes, effective April 19, 2022.

By authority conferred on the public service commission by sections 202 and 213 of the Michigan telecommunications act, 1991 PA 179, MCL 484.2202 and 484.2213. The proposed rules will take effect 4/19/2022 after filing with the Secretary of State. The proposed rules are published on the State of Michigan web site at <http://www.michigan.gov/ARD> and in the Michigan Register in the 9/15/2021 issue. Copies of these proposed rules may also be obtained by mail or electronic transmission at the following address: mpscdoctors@michigan.gov.

Comments on these proposed rules may be made at the hearing or by mail or electronic mail at the following address until 10/19/2021 at 05:00PM.
