Elizabeth Arasim

2. Rule Set Information

MOAHR assigned rule set number:

2021-90 LR

Title of proposed rule set:

Substance Use Disorder Service Programs

3. Purpose for the proposed rules and background:

The Substance Use Disorder Programs Administrative Rules provide for the regulation of substance use disorder programs. Additional requirements have been identified that need further clarifications or corrections that were not addressed previously.

4. Summary of proposed rules:

The proposed SUD administrative rules add regulations for branch offices, allows for mobile units to be licensed under a parent location with specific criteria, require facility protocol for offering naloxone kits, expand in-service education categories, deregulate screening and assessment, referral, follow up services (SARF), expand the types of counselors that can provide outpatient counseling and residential program counseling, remove the Medication Assisted Treatment (MAT) subcategories of MAT-Buprenorphine and MAT-Naltrexone but maintain the MAT subcategory of Methadone and the requisite program requirements, and adds clinically managed and medically monitored subcategories for withdrawal management services (detoxification).
