Hermansville's IXL Museum to honor charter board member

HERMANSVILLE — The IXL Historical Museum Board will honor its late former charter member Eugene "Geno" Arduin Jr. on Sunday.

Geno's Vintage Day is planned from 12:30 to 4 p.m. Sunday at the Hermansville museum complex, W5551 River St.

They will unveil the memorial plaque honoring Arduin that will be on permanent display in the main office building.

IXL Board Secretary Janey Hudson noted the board created a "story-board" that showed Arduin's dedication to the museum.

Arduin was instrumental in getting the museum established, she said.

"He was very knowledgeable about everything at the museum and Hermansville history," Hudson said.

Arduin served on the board for many years and provided guided tours until he passed away in August 2022 at age 83.

Arduin also served as the grounds caretaker. "He even made special blocks for candles to sit in the window during Christmas time so the large building was lit for the holiday," she said.

Renaming the community celebration to Geno's Vintage Day will continue to honor him for years to come, she said.

"He cared so deeply about the museum and we want to show our appreciation," Hudson added.

The day this year will feature a 1920s theme. Everyone is encouraged to come dressed in '20s attire.

Young members of the theater group will be walking throughout the crowd acting out skits based on that era.

"We thought it would be a fun addition," she said.

Hudson noted that Arduin owned a 1920s vintage vehicle that he would drive around the grounds during special events.

Another of the day's highlights will be the return of blacksmith Dave Hudson of Hermansville. "He will be doing a forging demonstration in the permanent shop added to the

grounds this year," Hudson said.

The Wallens of Ishpeming will perform from 2 to 4 p.m. The acoustic duo plays a variety of folk, bluegrass, blues and original music.

The Curious Pig will have a food truck on site offering several of their specialty menu items.

"We encourage everyone to grab lunch early, as they sell out," Hudson advised.

June Schoen will offer her popular homemade sugar cookies. They have also brought back We Be Poppin' kettle corn.

Everyone is encouraged to bring a lawn chairs to sit and enjoy entertainment and lunch on the museum grounds.

Crafter and vendor booths will be set up on the grounds of the multi-complex museum.

All the buildings will be open for tours for the event.

The multi-structure complex includes the 1881-82 Wisconsin Land & Lumber Co. office building that contains artifacts and many original pieces, and the "company house," one of the oldest homes in Hermansville.

"The community will be able to see the changes and additions that have been done this season," Hudson said.

Admission to the museum grounds is by donation.

Hours are 12:30 to 4 p.m. Friday through Sunday. They will be open again Aug. 30 through Sept. 2, and will close for the season after Labor Day weekend.

Hudson is looking for volunteers for next year, when they will reopen Memorial Day weekend. Anyone interested can call the museum at 906-236-5163 or leave a message on the Facebook IXL Historical Museum page.

Humongous Fungus Festival has new events, old favorites returning

CRYSTAL FALLS — The "Morale in Crystal Falls" is building for the Humongous Fungus Festival this weekend.

It's the 33rd year the city has celebrated the giant Armillaria gallica, which spreads over more than 37 subterranean acres near Crystal Falls.

The large fungus was discovered in the late 1980s by Johann Bruhn, a professor emeritus of plant science. Bruhn came across the "honey mushroom" during an unrelated experiment. It weighs an estimated 882,000 pounds and it's at least 2,500 years old. It has been noted to be the size of 140 football fields.

Lisa Landi of Crystal Falls was this year's Fungus Fest logo contest winner. "Her design is great — her depiction really describes what a festival is," Crystal Falls Business Association President Barbara Luck said.

T-shirts and sweatshirts can be ordered online at

blackdogprinting.shop or by submitting order forms to Charlie's Emporium on Superior Avenue.

Activities kick off with the city-wide rummage sale Friday that continues Saturday.

The CFBA, which plays hosts to the annual event, will have maps available online by 6 p.m. today or at area businesses. The maps will also indicate the location of separate events happening throughout the community.

"We have several new features, as well as bringing back the mushroom pizza," Luck noted. "We wanted to make it easy for everyone to find where each activity is taking place downtown."

The 2024 Humongous Fungus Fest parade steps off at 10 a.m. Saturday on Superior Avenue. Parade participants can line up from 9:15 to 9:30 a.m. at the Forest Park School

parking lot. No registration is required and everyone is welcome to participate.

The CFBA will present three trophies this year: "Best Fungus Float," "Best Mushroom Group" and "Best Single Mushroom."

Sean Ackles of Grouse Acres returns as the guide for the mushroom forage. Two groups will be taken out, and leave from the Forest Park School District parking lot. The first will check in at 8:30 a.m., with the tour to begin at 9 a.m. The second will have check-in at 12:30 p.m. and depart at 1 p.m.

"This is the only time he does presentations," Luck said. "So anyone interested is encouraged to take advantage of the hike."

Cost is \$60 per person. Forms are available online or people can sign up before getting on the bus. Anyone taking part is

reminded to dress appropriately, including proper footwear, and bring water, snack and bug spray.

The CFBA's Vendor Village Craft and Gift Show will be open from 10 a.m. to 3 p.m. behind the Crystal Theatre and Charlie's Emporium. Luck said participants again have a wide variety of items for sale this year.

Forest Park Physical Education is conducting a Spore-Tacular Adventure, a mushroom-themed scavenger hunt. Participants can pick up club sheets at the vendor village. Cost is \$3 per clue sheet.

The first 40 people to turn in a correct clue sheet will receive a goodie bag. All correct sheets will be entered into a drawing for a grand prize as well.

"That is also new to the event," she said. "It's something everyone can enjoy."

Cischke named to H-PT board

By **Houghton Daily Mining Gazette**

HOUGHTON — The Houghton-Portage Township Schools board added a new member Monday.

Julie Cischke was appointed to the board, filling the vacancy created by the resignation of Vice President Scott Leonard.

"I was made aware of the need, and I am passionate about supporting our community and our kids, and it just seemed like a way I could do something," she said.

Superintendent Anders Hill said Leonard, who'd joined the board in 2018, had been a great board member who was supportive of the district's students and staff, and Hill as a new superintendent.

"He had a son graduate, and all of his kids have come through Houghton," he said. "I just think he felt maybe it was time to move on. He's an awesome board member, and I'm thankful he gave that chunk of time through some difficult decisions and years ... those were eventful times and he really served our students and tried really hard to make good decisions."

The board voted to have Brent Burns assume the vice president role, while Mike Salmi took Burns' former position of secretary.

Asked about her priorities on the board, Cischke said she would be doing a lot of learning about how school boards work.

PUBLIC NOTICE

Date: August 23, 2024
Permit No.: MIG760000
Permit Category: NPDES General Permit – Public Swimming Pool Wastewater

The Department of Environment, Great Lakes, and Energy (EGLE), Water Resources Division (WRD), proposes to reissue a general permit for discharges of wastewater associated with the operation and maintenance of public swimming pools, which include pool overflow, periodic pool drainage, and treated pool filter backwash, public splash pad drainage, and other wastewaters of similar nature. The applicability of this permit shall be limited to wastewater discharges that are of this type and that meet the criteria established in this permit. This permit is expected to apply to multiple discharges of this type throughout the state of Michigan. Discharges that may cause or contribute to a violation of water quality standards are not authorized by this permit.

In order to constitute a valid authorization to discharge at a specific facility, this permit must be complemented by a Certificate of Coverage (COC) issued by EGLE.

The draft permit includes the following modifications to the previously issued permit: Permit language has been revised to incorporate updated references and terminology. The following new conditions have been added to the draft permit: Final Effluent Limitations for Total Residual Chlorine and pH, Additional Monitoring, and Continuous Monitoring. An instantaneous maximum for intermittent total residual chlorine (TRC) discharges is now specified. Limitations for intermittent TRC discharge duration and intermittent TRO discharge duration are now specified.

Copies of the Public Notice, Fact Sheet, Basis for Decision Memo, and draft permit may be obtained via the Internet at <https://mienviro.michigan.gov/ncore/> (select 'Public Notice Search,' enter the permit number into the search field, and then click 'Search'), or at a WRD District Office, locations and contact information for which is available at <https://www.Michigan.gov/-/Media/Project/Websites/EGLE/Documents/Programs/WRD/About-Us/District-Offices.pdf>.

Persons wishing to submit comments on the draft permit should do so through MiEnviro Portal. Go to <https://MiEnviro.Michigan.gov/ncore/>, select 'Public Notice Search,' search for this public notice by entering the permit number into the search field, click 'Search,' click 'View,' click 'Add Comment,' enter information into the fields, and then click 'Submit.' Comments or objections to the draft permit received by September 22, 2024, will be considered in the final decision to issue the permit, as will comments made at a public hearing should one be requested and held by the Department on the draft permit.

Any person may request the Department to hold a public hearing on the draft permit. The request should include specific reasons for the request, indicating which portions of the draft permit constitute the need for a hearing. If submitted comments indicate significant public interest in the draft permit or if useful information may be produced, the Department may, at its discretion, hold a public hearing on the draft permit. If a public hearing is scheduled, public notice of the hearing will be provided at least 30 days in advance. Inquiries should be directed to Caroline Wolf, Permits Section, WRD, EGLE, P.O. Box 30458, Lansing, Michigan 48909-7958; telephone: 517-930-7082; or email: WolfC5@Michigan.gov.
