BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2017-100 LR would rescind current rules pertaining to freestanding surgical outpatient facilities. The rules would be recodified into a single rule set for licensing of health facilities and agencies, which will comply with federal laws and regulations and align with current practice standards and licensing functionality.

FISCAL IMPACT OF PROPOSED RULES

2017-100 LR is not anticipated to have a significant fiscal impact on the Department of Licensing and Regulatory Affairs or any other unit of state or local government.
