The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Public Health Code -- Disciplinary Rules rule set.

The proposed rules will add definitions for terms used in the ruleset and a new rule pertaining to disciplinary action that may be taken against an unlicensed or unregistered individual. A new rule will also be added to advise a former licensee or registrant of his or her duty to update his or her contact information while a complaint is pending and until a final order is satisfied. Amendments have been made to the rules pertaining to historical records, investigations, and the duty to comply with a final order. Other changes revise, reorganize, and clarify current rules. The proposed rules will rescind rules that duplicate statutory requirements, including rules pertaining to a disciplinary subcommittee, summary suspensions, and cease and desist orders.
