BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2021-44 LR would make numerous amendments to rules pertaining to the practice of medicine. Specifically, the rule set would clarify definitions, update accreditation standards, incorporate legislative changes allowing licensure by endorsement for individuals licensed in other states or Canadian provinces, clarify requirements for an educational limited license, align examination requirements with the Federation of State Medical Boards, clarify requirements for the clinical academic license, revise proof of licensure requirements for relicensure, and remove outdated continuing education subrules.

FISCAL IMPACT OF PROPOSED RULES

2021-44 LR would not have a fiscal impact on the Department of Licensing and Regulatory Affairs or on any other state or local government units.
