BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2019-106 LR would rescind the Plumbing Board Rules, since the act that the rules were promulgated under (the State Plumbing Act) was repealed by the Skilled Trades Regulation Act, 2016 PA 407. The State Plumbing Act was outdated and provided the authority to promulgate the rule set that is being rescinded. A new rule set will be formed at a later date to house licensing rules now regulated under the Skilled Trades Regulation Act.

FISCAL IMPACT OF PROPOSED RULES

2019-106 LR would not affect the expenditures or revenues of any state or local government units.
